SEDBERGH + DISTRICT MOTOR CYCLE CLUB

A FAMILY + FRIENDS ORIENTATED CLUB.

SEDBERGH + DISTRICT MOTORCYCLE CLUB IS A RECENTLY REFORMED TRIALS CLUB SET UP BY SOME FAMILY AND FRIENDS IN 2021. ALL OF US KEEN TRIALS RIDERS AND HAVING HELPED RUN OTHER TRIALS CLUBS IN THE PAST YEARS, WE THOUGHT IT WOULD BE TIME TO SHAKE THINGS UP A LITTLE BY OFFERING SOMETHING A LITTLE DIFFERENT THEN JUST A RIDE AROUND ON A SUNDAY.

WHEN APPROACHED BY BRIAN IN 2021, IF WE WOULD BE INTERESTED IN PUTTING ON A TRIALS DISPLAY FOR THE HELLS FELS FESTIVAL, IT WAS A DECISION THAT DIDN'T TAKE A LOT OF THINKING ABOUT, AND ONE WE WERE VERY MUCH HAPPY TO ACCEPT. OUR MAIN OBJECTIVE WITHIN THIS WAS TO DEMONSTRATE THE FRIENDLINESS THAT HAS BROUGHT SO MANY OF US TOGETHER OVER THE PAST DECADE AND TO MOVE THAT FORWARD WITH THE CHILDREN OF TODAY. AS WITH OUT THEM THE SPORT WILL BE NO LONGER MOVE FORWARD. WE HAD A COUPLE OF THE UP-AND-COMING YOUTHS WITH US ON THIS WEEKEND, CAMERON BATTY + JAMES CLEGG, WITH THE HELP OF A SPIRITED CROWD, AND THE ADULTS HELP THEY PUT ON A FANTASTIC DISPLAY ON ELECTRIC TRIALS BIKES IN VERY VERY DAMP CONDITIONS.

MOVING FORWARD, TO THE 2022 FESTIVAL OUR OBJECTIVE HASN'T CHANGED, AND WE ARE VERY MUCH LOOKING FORWARD TO BRINGING YOU A GREAT DISPLAY, IN HOPEFULLY A LITTLE DRIER CONDITION. WE ARE ALREADY PLANNING A DIFFERENT LAY OUT, SO THE RIDERS HAVE A DIFFERENT CHALLENGE, ON THE YOUTH SIDE WE ARE GAINING A LOT OF INTEREST AND, WILL HOPEFULLY HAVE 5-6 QUALITY YOUTHS TO SHOW YOU WHAT THEY HAVE BEEN LEARNING THROUGHOUT THE LAST YEAR.

LAST YEAR'S WINNERS TOM SWINDLEHURST (ADULT) + CAMERON BATTY (YOUTH,) HAVE ALREADY CONFIRMED THEY ARE LOOKING TO RETAIN THEIR TROPHIES, SO PLEASE COME ALONG TO BOTH OUR DISPLAYS IN THE TRIALS ARENA AT 10.00-12.00 AND 14.00-16.00.

REMEMBER THIS IS ABOUT A FUN FILLED WEEKEND, EARNING MONEY FOR A FANTASTIC CHARITY AND ONE THE CLUB IS HAPPY TO SUPPORT IN ANY WAY WE CAN. REMEMBER THE MAIN OBJECTIVE WE SUPPORT IS IT'S A HAND UP NOT A HANDOUT.

REGARDS
CARL BATTY

Blue Beret Charitable Trust **&** **The Rawthey Project**

Who are they?

They are all volunteers.

They are all ex-soldiers and officers who are known and trusted by those who have served in the most challenging conflict zones around the world.

They can intervene locally and immediately.

They have a uk wide support network of 127 mentors currently supporting 112 beneficiaries, 59 of whom are still serving.

Who do they help?

We support the most disadvantaged and vulnerable serving and ex-service personnel and their families, who maybe struggling to adjust to civilian life following the traumas of war, or who maybe tackling homelessness, drink & drug abuse, criminality, financial insolvency, long-term unemployment and psychological illness.

What can they do to help?

Screening

We start by providing a private full and in-depth clinical psychological assessment, this helps us understand the issues at the root cause of the situation. If we don't address the root cause, regardless of what we do, success will not be sustainable. The output is the production of a bespoke individual recovery plan.

Individual Development

This module culminates in a 7 day residential course, where the individual identifies the root causes of their situation themselves and develops plans to break the cycle of misery to achieve their life goals.

Life Skills

This 5-day residential module is supported by professionals from DWP, finance, accommodation, housing, employment, education and training with the output crystallising the detail in the individual recovery plan.

Employment, Education, Training

Armed with the skills, knowledge, rekindled self confidence and a mentor at the end of the telephone 24/7 who will help them to overcome barriers as they pop up.

The End-Game - Success

The goal is independent living and sustainable employment at a level commensurate with their potential.

Testimonials

Our work centres on the needs of our beneficiaries. Below are extracts taken from the testimonials of two of our beneficiaries.

Simon Lansdowne

Simon is a former REME AQMS who ha struggled with depression for over 25 years before we began supporting him.

"The Rawthey Project asked what i needed, I had no idea what i needed, I needed it to stop that's all i knew, so they (The Rawthey Project) arranged for me to have an assessment with a professional psychologist.

I am now having counselling like i have never had before, its looking at my root cause of my problems, not just getting through today.

Its been amazing, they have been really good, they have been proactive and supportive and i can not thank them enough".

Jonathan Carr

Jon is a former RAMC Sergeant who served 22 years in the army. Jon faces unique challenges with a suspected traumatic brain injury and complex interdependent psychological illnesses.

" I am still alive because of The Rawthey Project, My wife still have a husband and my children still have a father.

Since leaving the Army in 2012 i have really struggled with depression and PTSD and in Sept 2021 i confided in my wife that i wanted to end my life, i needed help, i couldn't see any other way out, i couldn't cope anymore the voices became to loud and that was the only way out i could see.

The Rawthey Project immediately funded a full clinical psychological assessment to get to the root cause of my problems.

The Rawthey Project really does work, it has not only saved my life but i am sure many others they have helped also".
