Local Things to Do

If you're looking to explore the outdoors during your stay with us, there are plenty of opportunities to do so.

Take advantage of the walking routes around the campsite and explore the beautiful countryside.

As we are situated on the Dales Way footpath, Google maps can help you find a walk that suits your needs.

Our adjacent river is perfect for refreshing dips and for kids to explore.

For those who want to venture further, we're happy to drop groups off (with dogs) so you can walk or cycle back to the site and extend your range. Just ask us the night before.

In addition to outdoor activities, Sedbergh is a charming market town with plenty to offer. Check out the website [Sedbergh - 'A Space to Breathe'](#) or speak with tourist information for more details on what to do and see while you're here.
